LETTER FROM OUR PRESIDENT

Dear MC Brethren!

In 2024 the Stella Polaris Motorcycle Club Norway has existed for 20 years! The very same year as the Norwegian Order of freemasons will celebrate 275 years of Freemasonry in Norway.

We would like to see as many as possible of our international brethren with their companions at our anniversary rallye event, as announced in this leaflet!

Further details such as prices, rideout routes will be announced as soon as possible!

Oslo, March 2022,

*Arne Harstad
